

Plans and rules

Same percentage rules on every size in a plan. Instant has no \$200k. News trading is permitted. Weekend holding is a paid add-on.

Plan	Stage	Target	Min days	Consistency	Daily DD	Max DD	Max drawdown basis
Instant Funding	Funded (day 1)	None	5 valid	20% best day	3%	6%	Trailing HWM (never locks)
One-Step	Evaluation	10%	0	50% best day	4%	6%	Hybrid trail, locks at initial
One-Step	Funded	None	3	None	4%	6%	Hybrid trail, locks at initial
Two-Step Lite	Phase 1	8%	5	None	4%	8%	Static vs initial
Two-Step Lite	Phase 2	5%	5	None	4%	8%	Static vs initial
Two-Step Lite	Funded	None	3	None	4%	8%	Static vs initial
Two-Step Pro	Phase 1	10%	5	None	5%	10%	Static vs initial
Two-Step Pro	Phase 2	5%	5	None	5%	10%	Static vs initial
Two-Step Pro	Funded	None	3	None	5%	10%	Static vs initial

What each plan is

Instant Funding. No evaluation. Funded on day one. Daily 3% from the day’s equity high. Max 6% trails the peak and never locks. First payout after 5 valid days (+0.5% of that day’s start-of-day equity), 20% best-day, \$100 minimum. No fee refund. Default split 80% bi-weekly.

One-Step. One evaluation: 10% target, no min days, 50% best-day. 4% daily, 6% hybrid max (locks at initial). Same drawdown on funded. First payout after 3 funded trading days. Challenge fee refunded on first payout (add-ons are not refunded).

Two-Step Lite. Phase 1 8% / Phase 2 5%, 5 days each. 4% daily, 8% static max on evaluation and funded. First payout after 3 funded trading days. Challenge fee refunded on first payout (add-ons are not refunded).

Two-Step Pro. Phase 1 10% / Phase 2 5%, 5 days each. 5% daily, 10% static max on evaluation and funded. First payout after 3 funded trading days. Challenge fee refunded on first payout (add-ons are not refunded).

Shared: unlimited time · 30-day inactivity · \$100 minimum reward on every cycle · default Bi-Weekly 80% every 14 calendar days. Weekly, On Demand, and 90% are paid add-ons.
