

OPERATIONAL SERVICES, DOMAIN USAGE AND EVALUATION RIGHTS AGREEMENT

Between

Verodus Capital Inc. ("*Capital*" or "*Service Provider*")

And

Verodus L.L.C.-FZ ("*LLC-FZ*" or "*Client*")

Effective Date: April 28, 2026

RECITALS

- A. Capital is a company incorporated under the laws of British Columbia, Canada.
- B. LLC-FZ is the registered owner of the domain name verodus.com.
- C. LLC-FZ performs, in its own name and for its own account, all identity verification and know-your-customer checks of users of the Domain. Capital does not provide KYC services to LLC-FZ.
- D. The parties will each establish and operate their own isolated payment-processor merchant accounts with no crossover or commingling of funds between entities.
- E. LLC-FZ grants to Capital the right to use the Domain, the right to conduct platform evaluations, and the right to use LLC-FZ's affiliate software as part of traffic-driving services.
- F. In exchange, Capital is required to drive traffic to the Domain and provide the marketing services set out in this Agreement. Any commissions or profits generated from the use of the affiliate software or traffic-driving services shall be paid by Capital.
- G. Subject to Section 4.2 below, the parties expressly agree that there will be no invoices issued by either party at any time, no billing process, and no monetary payments whatsoever. All compensation is fully satisfied through the reciprocal services and rights granted in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants, licenses, services, and reciprocal rights set forth below, the parties agree as follows:

1. DEFINITIONS

- 1.1 "*Domain*" means the domain name verodus.com.
- 1.2 "*KYC*" means identity verification, know-your-customer, anti-money-laundering, and counter-terrorist-financing onboarding checks of Domain users.
- 1.3 "*Services*" means the marketing and traffic-driving services provided by Capital to LLC-FZ as described in Section 2.1.
- 1.4 "*Effective Date*" means the date first written above.

2. SERVICES TO LLC-FZ AND CAPITAL'S INDEPENDENT ACTIVITIES

- 2.1 Capital shall provide the following Services to LLC-FZ:

(a) Marketing and traffic-driving services directed exclusively to the Domain, including the use of LLC-FZ's affiliate software.

2.2 Capital shall independently perform, for its own account and on its own behalf (and not as a service to LLC-FZ):

(a) Full payment processing, including pay-ins, rewards, refunds, and banking services through merchant accounts held solely in Capital's name; and

(b) Platform evaluations.

2.3 Capital shall perform all payment processing on its own rails and platform evaluations on its own behalf and shall have no access to or involvement in the software or merchant accounts of LLC-FZ for LLC-FZ's isolated payment rails.

2.4 LLC-FZ shall independently establish and operate its own isolated merchant accounts for its payment rails (deposits and same-method payouts only). There shall be no crossover or commingling of funds between Capital's payment rails and LLC-FZ's payment rails. Capital has no operational control over LLC-FZ's merchant accounts.

2.5 KYC by LLC-FZ.

(a) LLC-FZ shall, in its own name and for its own account, perform all KYC of Domain users.

(b) Capital shall not perform KYC for LLC-FZ, shall not collect identity documents or KYC files on LLC-FZ's behalf, and is not LLC-FZ's KYC provider, outsourced compliance function, or KYC processor.

(c) LLC-FZ may give Capital only the minimum user-status information reasonably required for Capital's independent payment-processing and performance-reward activities (for example, verified, unverified, or restricted). LLC-FZ is not required to give Capital underlying KYC documents unless Capital's payment processors or applicable law require it, in which case LLC-FZ shall provide only what is required.

(d) Capital may collect and process payment-instrument, fraud-prevention, sanctions, and settlement data on its own payment rails as required by its processors and applicable law. That activity is Capital's own payment-rail compliance. It is not KYC performed for LLC-FZ.

3. DOMAIN AND EVALUATION RIGHTS

3.1 LLC-FZ hereby grants Capital a non-exclusive, non-transferable, revocable license to use the Domain, conduct platform evaluations, and use LLC-FZ's affiliate software solely for the purpose of marketing, traffic-driving, and operating the platform during the Term.

3.2 Capital shall not sublicense or transfer the Domain or the affiliate software.

3.3 In exchange for the rights granted in this Section 3, Capital shall:

(a) Drive traffic to the Domain;

(b) Provide the Services described in Section 2.1; and

(c) Perform the independent activities described in Section 2.2.

Any commissions or profits generated through the affiliate software or traffic-driving activities shall be the responsibility of and paid by Capital.

4. NO MONETARY CONSIDERATION

4.1 There will be no invoices issued by either party at any time, no billing process, and no monetary payments whatsoever. All compensation is fully satisfied through the reciprocal services and rights granted in this Agreement.

4.2 At LLC-FZ's sole discretion, and upon ninety (90) days written notice to Capital, LLC-FZ shall be entitled to charge Capital a royalty equal to five percent (5%) of gross sales (CAD), calculated and payable in quarterly installments based on the prior quarter's gross sales. The quarterly payment shall be made by Capital to LLC-FZ on or before the fifteenth (15th) day following the end of each applicable quarter period.

5. SUBSCRIPTION TARGETS

5.1 Within six (6) months after the Effective Date, the parties shall mutually agree upon subscription targets for the following thirty (30) month period.

5.2 Targets shall be reviewed and reset (if necessary) on a rolling six-month basis.

5.3 Subscription targets are operational planning figures only. They do not create a fee, invoice, payment obligation, or separate price for any right or service under this Agreement.

6. REPRESENTATIONS AND WARRANTIES

6.1 Each party represents and warrants that:

- (a) It has full power and authority to enter into and perform this Agreement;
- (b) Its performance will not breach any other agreement; and
- (c) It will comply with all applicable laws that apply to its own activities, including anti-money-laundering and payment-processing regulations.

6.2 LLC-FZ represents that it, and not Capital, is responsible for KYC of Domain users.

6.3 Capital represents that it is responsible for legal and processor obligations arising from merchant accounts held in Capital's name.

7. CONFIDENTIALITY

7.1 Each party shall maintain the confidentiality of the other party's non-public information and use it solely for the purposes of this Agreement. KYC documents and identity-verification files of Domain users are LLC-FZ's confidential information. Capital shall not use or retain them except as Section 2.5(c) or applicable law requires. This obligation survives termination.

8. TERM AND TERMINATION

8.1 This Agreement commences on the Effective Date and continues for thirty-six (36) months (the "*Term*").

8.2 Either party may terminate the Agreement for material breach, provided the breach is not cured within thirty (30) days of written notice delivered by registered mail to the company's registered and records office.

8.3 Upon termination, the Domain and evaluation-rights license granted herein shall terminate immediately. Capital shall stop using the Domain and the affiliate software, and shall return or securely delete KYC documents (if any) in its possession, except as applicable law requires Capital to retain.

9. INDEMNIFICATION

9.1 Each party shall indemnify the other against claims, losses, or damages arising from its own breach or violation of law, including, in LLC-FZ's case, claims arising from LLC-FZ's KYC of Domain users, and in Capital's case, claims arising from Capital's merchant accounts and payment rails.

10. LIMITATION OF LIABILITY

10.1 Neither party shall be liable for indirect, consequential, or punitive damages.

11. GOVERNING LAW AND DISPUTE RESOLUTION

11.1 This Agreement shall be governed by the laws of British Columbia, Canada, and the federal laws of Canada applicable therein.

11.2 Any disputes arising out of or in connection with this Agreement shall be finally settled by arbitration administered by the Vancouver International Arbitration Centre (VanIAC) in Vancouver, British Columbia, before a single arbitrator, in accordance with the VanIAC International Commercial Arbitration Rules. The language of arbitration shall be English.

12. MISCELLANEOUS

12.1 This Agreement is bilateral and entirely independent of any other agreement between the parties or their affiliates, including any merchant agreements with third-party payment processors.

12.2 Capital has no access or rights to the software of LLC-FZ (other than the limited license to use the affiliate software for traffic-driving purposes), no operational involvement in LLC-FZ's isolated merchant accounts, and no KYC role for LLC-FZ.

12.3 This Agreement constitutes the entire understanding between the parties and supersedes all prior discussions.

12.4 Any amendments must be in writing and signed by both parties.

12.5 If any provision is held invalid, the remainder of this Agreement shall continue in full force and effect.

12.6 This Agreement may be executed in counterparts, including electronically.

IN WITNESS WHEREOF

The parties have executed this Agreement as of the Effective Date.
